

## How to Change Your Email Address in My Patient Connect

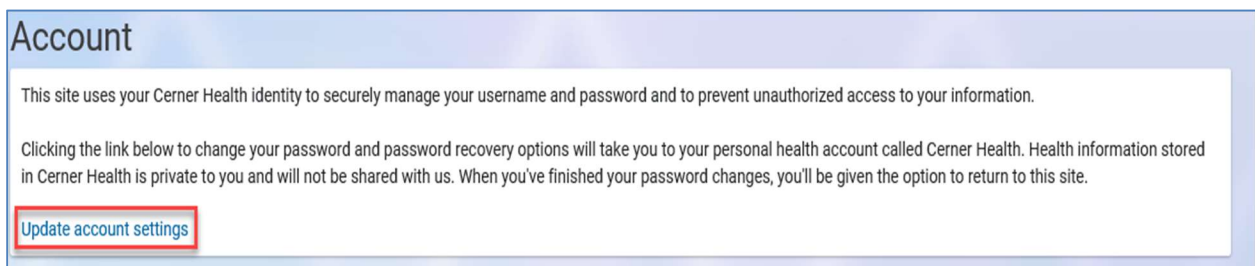

1. After logging in, go to your name in the lower-left hand corner of the screen and click the three dots (ellipses) next to your name:

2. Click **Account**:

3. Below the Account policy box, click the hyperlink of **Update account settings**:

4. In the Account Overview email address field, click **Edit**:

Back to Capital Region Healthcare English (United States) Sign out

Secure health identity provided by:

**CernerHealth**

### Account Overview

Update your account name and email address using the links below, or use the menu for additional account settings.

Personal Information	
Password	
Security Questions	<b>Name</b> DoNotUseMom ZZtest <a href="#">Edit</a>
Email Address	<b>Username</b> cptlprod01 <span>Not editable</span>
Mobile Phone	<b>Email Address</b> mnewbold13+393857@gmail.com <a href="#">Edit</a>

5. You now have the ability to change your email address:

Back to Capital Region Healthcare English (United States) Sign out

**CernerHealth**

### Account Overview

**Email Address**

Your email address is used to sign into your account. Updating your email address changes where account notifications, such as a password recovery email, are delivered.

**Step 1 of 3**

\* Indicates a required field.

- \* **New email address**
- \* **Re-enter new email address**
- \* **Enter current password**
